

TERMS AND CONDITIONS

Composable Promotion AI2019

General Terms & Conditions

- The offer is valid from Friday 11th October until Monday 28th October 2019.
- The offer is valid in store at Nomination monobrand stores and participating authorised retailers and online at Nomination.com and online at web-shops of participating authorised retailers.
- Minimum spend is 35chf, the offer is valid only when the consumer spends a minimum of 35chf on Composable Classic links from the ClassicGold, SilverShine or RoseGold collections.
- Composable Classic stainless steel Base Links (030000) only, are given free to finish the bracelet.

In Store Conditions:

- The consumer can upgrade to coloured Base Links (030001), by paying an additional 20chf - this upgrade offer is only available in store.
- The total number of Composable Base Links required will be calculated according to the number of Composable links purchased and your wrist size at time of purchase. The Standard Size Composable Bracelet requires 19 links. If the Composable Bracelet is a gift then the retailer will size the bracelet according to the Standard Size Composable Bracelet.

Nomination.com Conditions:

- Composable coloured Base Links are not included with this offer for online purchases.
- If you purchase a Composable Bracelet, through the CREATE YOUR BRACELET page, and choose a classic stainless steel base, the number of Base Links that will be given free will correspond to the Base Links shown on the bracelet configurator just before you click the BUY NOW button.
- If you purchase Composable Links, through the COMPOSABLE/LINKS&CHARMS page, that qualify for the promotion the links purchased will be sent as a finished bracelet with the free Base Links, for the duration of the promotion. If the links are to be packaged separately please insert "PACKAGE SEPARATELY" in the field PACKAGING AND SHIPPING REQUESTS at check out.
- The maximum quantity of Base Links sent for each online order is 16.
- Normal delivery charges are applicable throughout the promotional period.
